Study Deal For Freeway Into Moraga

The 25-year-old "dream of a Shepherd Canyon Freeway, leading into and through the extensive Moraga Valley area, moved a big step nearer realization this week.

Board of Supervisors Chairman H. L. Cummings informed the board Tuesday that Contra Costa County, Alameda County and City of Oakland officiails are negotiating with State Division of Highways officials for a trade arrangement whereby the state would construct that Shepherd Canyon Freeway.

The proposal is for Contra Costa County to take over maintenance of the eight-mile Martinez - Crockett highway, now under the state, and for the City of Oakland to take over maintenance of some state highway stretch of similar length.

In return, the state would construct and maintain the Shepherd Canyon Freeway, from the Mountain Boulevard Freeway (State Route 227) at Park Boulevard in Oakland, through a tunnel and into the Moraga Valley area, extending some seven miles in Contra Costa County in a general northeasterly direction to the Pleasant Hill Road-Mt. Diablo Boulevard intersection.

Cummings and Contra Costa County Road Commissioner described state highway officials as receptive to the idea. Sauer said that the Moraga Co. has tentatively set aside a 200-foot right-of-way through its property for the contemplated freeway.

"I FEEL VERY hopeful that this project will materialize," Cummings said yesterday.

"A Shepherd Canyon Freeway has been 'on the fire' since 1928," Sauer said. "Here is an opportunity to get it into the state highway system. In order to do that, it will be necessary to trade, and legislation must be enacted."

Sauer reported that he went to Sacramento last Friday and conferred on the matter with J .W. Vickrey, assistant state highway engineer in charge of planning. Prior to going there he talked with John G. Marr, Oakland city planning engineer. After his return he discussed the problem with Marr and Charles A Reed, Oakland city engineer.

On Monday Cummings went to Sacramento and had lunch with State Senator George Miller Jr. and Assemblyman Donald D. Doyle and S. C. Masterson of Contra Costa County and State Senator Arthur H. Breed Jr. of Alameda County.

"THEY'RE GOING to try to find a spot for inclusion of a bill in this session of the Legislature," Cummings said.

"If the bill goes through, we would assume maintenance of the Martinez-Crockett road, and Oakland would assume maintenance of a present state highway stretch in Oakland."

Sauer said the purpose of the legislation would be to include the Shepherd Canyon Freeway in the state highway system.

"Whether or not it would be in the state's mainline system isn't, of immediate importance."

"We first want to get the project on record as a state highway," Cummings pointed out. "After that we will see about appropriations."

Cummings said the tunnel would probably be "quite a bit west" of old Sacramento Northern Tunnel.

According to Sauer, the Shepherd Canyon Freeway would probably have a total length of some 14 miles, about half of it in Oakland and half of it in Contra Costa County.

"FOR THE FIRST TIME in all these years," Sauer observed, "state highway officials are receptive to the idea of developing the project. Apparently they are aware of the pressing demands of this growing area."

Tentative estimates on cost of the project, including right-of-way purchases, run from 20 to 30 million dollars.

"Once the route is adopted, preliminary work could start," Sauer said.

Sauer mentioned Oakland City Manager John F. Hassler and Alameda County Surveyor Wallace Boggs as being "very much interested' 'in the project.

BOTH CUMMINGS and Sauer stressed that a Shepherd Canyon Freeway is urgently needed and that it would by-pass traffic congestion in Oakland, along the Broadway Tunnel route and along Mt. Diablo Boulevard.

If the project materializes, an interchange would be necessary at the Oakland end, and the planned inetrchange would be necessary at the Oakland end, and the planned interterchange near Pleasant Hill Road and Mt. Dialbo Boulevard, near the eastern end of the Lafayette Freeway, would probably have to serve requirements here for the Shepherd Canyon Freeway.

Moraga Co. Sale Denied – 'Parties' Were 'Interested'

Admitting that "a couple of parties" had recently been interested in purchasing the vast land holdings of the Moraga Co., Donald A. Breed, son of the president of the firm, this week emphatically denied persistent rumors that the property had been sold.

"There's been a lot of talk, it's true," he said when reached by telephone Wednesday night at his home at 165 Bell Avenue, Piedmont, "but there's nothing definite at all.

"Nothing has been consummated, no negotiations are going on, nothing is in escrow. There's nothing to it at the present time, as far as the sale of the Moraga Co. land as a whole is concerned."

Asked if anyone had been interested recently in purchasing the property, Breed said:

"THERE WERE A couple of parties interested in it."

"Was that for the entire holdings of the Moraga Co.?" he was asked.

"That's the way it would be," Breed replied. "But nothing has come of it."

Breed was asked if such sale is likely in the future.

"IT'S AWFULLY difficult to say yes or no," he answered.

He denied that one of the 'interested parties" was a Los Angeles or Southern California syndicate, as had been rumored.

He also declared that, in view of the non-existence of any negotiations or sale, there was no foundation to the rumors that a Los Angeles syndicate is planning to build 2000 homes on the land or that some 5000 acres had been sold or are being sold for millions of dollars.

Donald Breed said he is not an official of the Moraga Co., but is familiar with all transactions of the firm. He is associated with his father, Arthur H. Breed Sr., in the real estate business of A. H. Breed & Sons at 310 15th Street, Oakland.

THE MORAGA CO. president, Arthur H. Breed Sr., is ill at his home at 101 Sea View, Piedmont. He is 87, according to Donald Breed, who described his father's illness as rather serious.

Arthur H. Breed Sr. has not been able to go to his office for the past few weeks and has been confined to his home. At his home it was stated he was too ill to answer the telephone.

County Rejects Ayer Application

Acting on recommendation of the County Planning Commission, the Board of Supervisors on Tuesday denied the application of Melvin A. Ayers for a permit to resubdivide his long, narrow lot on Irvine Drive near Hall Drive into three parcels.

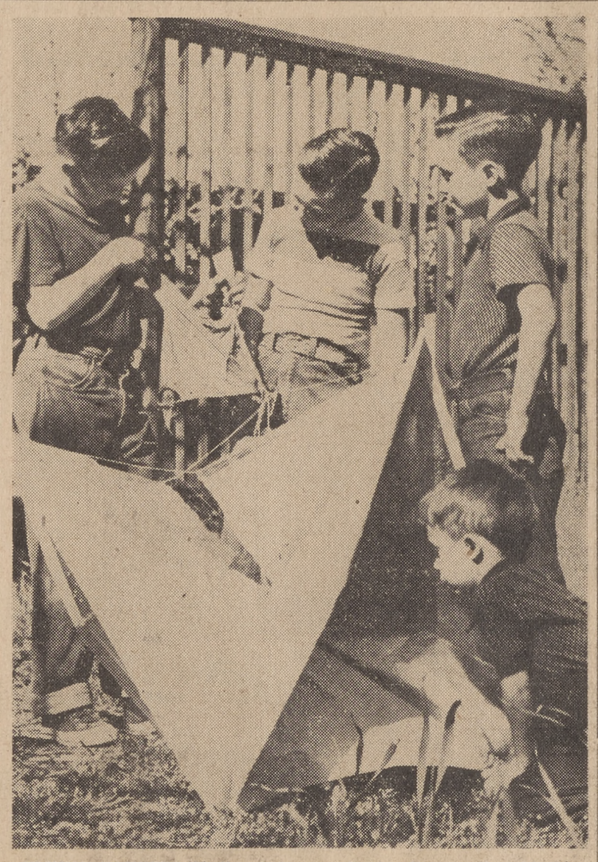
The planners had recommended rejection of Ayers' request, on the basis of objections by area residents, who pointed out that a permit would result in houses behind one another.

In another action, the supervisers accepted the 250-foot road in Meadowland as a county road. This was done on Road Commissioner Victor W. Sauer's recommendation.

Orinda land use applications favorably recommended by the Planning Commission Tuesday night were from

1. Ray Floyd Miller, for 18-foot setback for residence on north portion of Lot 54, Sleepy Hollow Unit 1, fronting on Tarry Lane about 350 feet north of Tappan Lane.

2. Mrs. C. Hoorman, for residence and garage with a 15-foot setback on Lot 23, Moraga Woodlands, at the end of Oak Drive.



FLYING SAUCER? That's what many Contra Costans thought this object to be last week—until, deflated, it landed in the top of a pear tree in the driveway of the Duncan Knudsen home at Upper Happy Valley and South Peardale Drive, Lafayette. It turned out to be a hydrogen balloon (that's the deflated portion) attached to a radar-reflector foil kite, used for weather observation by the United States Air Force. These boys were among the lads present when the balloon landed in the pear tree. Left to right are Peter Knudsen, leader of the Apache Patrol of Boy Scout Troop 223, who first saw the object in the tree; Gerrie Baird and Philip Knudsen, fellow-members of the Apache Patrol, and, kneeling in front, Derek Knudsen of Cub Pack 78. —SUN photo by Mattson

Rotarians Have Real Jam Session

A real jam session provided life and entertainment for the Orinda Rotary meeting Wednesday noon at the Orinda Willows.

A combo of five boys from Boy Scout troop 200 put out some fine jazz, according to Rotary members.

In fact, the spirit of the thing got into the Rotarians to the point where they picked up instruments and joined the music making.

Bob Johnson, Mario Guarneri, Robin Muse, Dick Paper, Harry Noller Jr. and Bob Long, aged 10 to 15, provided the nucleus. Al Mortera was visiting from Lafayette and he picked up a clarinet and added his note or two—very professionally, according to reports.

Earl Cappel filled in at the drums, and the boys were reported pleased with his performance, too.

Program chairman was Bob Nordquist.

Next week the group will hear Neal Thurman, a Berkeley Rotarian, who will present a film on The National Cash Register Company.

Highway Federation Membership Renewed

The Orinda Association last week renewed its membership in the Diablo Highway Improvement Federation.

On motion of Stanley Allen, the association board, meeting at Orinda School, unanimously voted that the $5 dues be paid for 1953 membership in the federation.

Chamber Changes Meeting Day

The meeting day of the Orinda Chamber of Commerce has been changed to Tuesday noon instead of Thursday.

According to Walter Friberg, president, the Thursday date conflicted with two many activities of the members.

Meetings will continue to be held at the Casa Orinda at noon. The next will be April 14.

No business was transacted yesterday, as there was no quorum present.

Almost Swimming Weather, What?

We caught the weatherman rummaging through an assortment of clothes, books, junk and personal belongings in the back of a dark closet.

"Come on out of there and give us the weather for the week," we said.

He came out with a ragged 1890 style bathing suit in on hand and said. "For the period of March 26 through yesterday noon, the high was 73 degrees on Wednesday. The low was 36 degrees on Saturday."

"What bothers me," he said, getting into the striped swim suit," is that we had .06 inches of rain, and I can't remember when it fell."

We left him shivering slightly, as he looked for a swimming pool.

Second Meeting Planned To Talk United Crusade

The same civic leaders from Walnut Creek, Lafayette and Orinda who attended a meeting Tuesday to consider formation of a United Crusade for this area will be invited to a second meeting on Monday, April 13.

Others, who represent additional agencies, will also be invited, according to Peter Howard of Walnut Creek, who is attempting to organize the Crusade.

THE TIME AND the place for the meeting have not been decided yet. "I want to talk to Vance Perry and see what he thinks about it," Howard told The SUN.

Orinda, Walnut Creek and Lafayette would share every dollar that goes into the Crusade Association with the East Bay," Al G. Wardley, campaign director for East Bay United Crusade, told the civic leaders at the luncheon meeting held at Stan's Brick House in Walnut Creek Tuesday.

"YOU WILL SHARE those people's money who give in Oakland and be a partner of the East Bay." Wardley explained that what this area would go out and campaign for is a goal, and if it reaches that goal, it would get back what it has put into the campaign.

"The Crusade is no stronger than you donors make it. You are interested in the welfare of the whole East Bay and in raising enough money so that youngsters everywhere can benefit — not because a youngster lives over this hill or over that hill."

Wardley pointed out that the contributor gets confused when he is solicited for funds at home and then at his office. Without organization the dramatic cause gets the most money. "We can't run a popularity contest," he said. Under the United Crusade the cause or agency with the greatest needs gets the most money.

UNDER THE United Crusade the contributor knows he is putting his money in a common fund and the more successful a campaign is, the more his local agency will benefit. "We want one campaign and source where best can benefit."

"What do we raise money for? — need. We are interested in what? — raising the most money for the most good for all causes."

"Big money comes from industry. Our industrial quota is the biggest because more sign up from payroll deductions." Wardley pointed out.

Under the United Crusade, we would get professional guidance. Wardley stated that 20 per cent more money was raised in the East Bay under United Crusade than at any other time.

AS TO WHAT agencies would be included in the Crusade, Wardley said there would probably be the formation of a group of people representing various causes from this area who would be on the board of directors of the United Crusade and agencies would make formal application.

He said 85 agencies are included in the East Bay United Crusade including 71 Community Chest agencies.

Taxpayers Elect New Directors

Gerald S. Deardorff, president of the Contra Costa County Taxpayers' Association, announces that the following have been elected by the membership to the board of directors:

Frank Cayting of Orinda, J. O. Hubbard of Richmond, Bruce Howard of Orinda and Chet Mero of Richmond.

Orinda District May Get State CD Fire Truck

The possibility that Orinda might get a civilian defense fire truck for use in the area was announced at the meeting of the Orinda Fire Board March 26 at Orinda Fire Station Number one.

There are 43 fire trucks in the state for distribution to "strategic areas," and Chief H. E. Wyatt has been requested to check further with state authorities.

In addition, the Fire Board covered the following matters:

1. **IT APPEARS** now that there will be a small surplus of funds at the end of the fiscal year, June 30.

2. Commissioner Zach Montgomery has been asked to find out if the Orinda Association has received a reply from the State Division of Highways regarding traffic control during the construction of the Orinda Overpass. There will be no left turn signal in operation during the construction.

The board was particularly concerned with this matter from the point of view of free access to and from the highway for fire equipment.

3. **A DIRECT** phone to Moraga Del Rey will be installed upon approval of the Public Utilities Commission. Formerly, it was necessary for this section of the district to dial "operator" and then be transferred to Orinda. The direct line would speed communications. It was announced that the telephone company has already applied for the service.

4. A letter was received from James G. Hupp concerning the slide on El Toyonal. Hupp pointed out the inadequacy of Loma Vista as a temporary route, especially in the matter of fire protection. The letter was forwarded to Victor Sauer, County Road Commissioner and the Board of Supervisors.

5. A drain will be installed at the end of the driveway of Firehouse Number One on Avenida Del Orinda. There has been some trouble there with rain water running on down the street, and the drain will divert the water into the creek behind the firehouse.

6. At the request of Moraga Woodlands Association, the Fire Board has requested Chief Wyatt to look into the possibility of establishing a firebreak, so that there can be no recurrence of the fire which last year came up from Lost Valley and endangered some half dozen homes on Lost View Drive.

A report will be made to the association when it meets April 14.

Ground Observer Post Donated

"Nector Hotel 55 Green " — that's the designation of Lafayette's Ground Observer Post. Sound like mumbo-jumbo? Well, that's the Air Force's method of naming and locating geographically the skywatch posts.

Translated it means that the Grounds Observer Corps will soon have in operation a skywatch post on the Hanson property, south of St. Mary's Road, near the Glenside Drive junction, through the courtesy of Mrs. E. Hanson, who is giving not only the use of her land but use of water as well, and of Mr. Paul Marchant, head of Marchant Construction Co., who is supplying the labor for construction of the building.

It is expected that the building will be completed within the next few weeks. Meanwhile, about thirty citizens of the Orinda-Lafayette-Walnut Creek-Moraga area received instructions on manning the GOC post in a class conducted Thursday evening at Acalanes High School by Lieut. Richard B. Moon of the Oakland Filter Center.

Lieut. Moon opened the session with the showing of an Air Force film, whose forceful message was "Empty spaces can mean defeat of freedom" — empty spaces where there should be GOC posts, manned twenty-four hours a day. Lieut. Moon then outlined the very simple duties of skywatchers, explaining that anyone of high school age or over, with normal or corrected eyesight and hearing, may volunteer.

At the conclusion of the class, Mrs. Donn Court, local GOC organizer, announced the finding of a site for the post, and signed up the first twenty-five volunteers from the group.

Further information may be obtained by calling Lafayette 2782, Orinda 2596 or Yellowstone 5-5267.

Barbara Stark Sets New Record

Barbara Stark has broken her own world record for the 200-yard backstroke and set a new mark of 2:27 at the National AAU Indoor Swimming Meet in Daytona Beach, Fla.

Barbara, daughter of Dr. and Mrs. R. A. Stark, 555 Manzanita Drive, Orinda, left Saturday morning for the meet. She set her previous record last year.

She competed in the 200-yard backstroke yesterday, and will enter the 100-yard race today.

Barbara was the only American girl to qualify for the 100-meter backstroke in the Olympic Games, held at Helsinki last year. She placed fifth in that event.

Barbara, who is a sophomore at Acalanes High School, will return Tuesday.

Bloodmobile to Be Here Again On April 23

In less than three weeks, the Red Cross Bloodombile will visit Orinda again.

The date will be Thursday, April 23. The place: Orinda Community Church. Hours: 2 to 7 p.m.

According to Mrs. Warren Arnett, chairman of the telephone committee which is contacting local residents for appointments, it is hoped to exceed the record Orinda score at last Dec. 10's Bloodmobile, at which 192 pints of blood were contributed.

Mrs. Arnett said that her committee will try to get in touch with everyone in Orinda. But if you don't hear from the committee soon, phone her at Orinda 3177 and make that appointment!

Red Cross Fund Still Lacks $1565

The 1953 Mt. Diablo Area Red Cross Fund Drive had reached a total of $27,334.92 Monday night, the night before the drive officially closed.

With only $1,565.08 remaining in order to reach the $28,900 quota, Chairman Edmund S. Barnett commented that it is still not too late to contribute to the chapter; and checks may be mailed directly to the Mt. Diablo Chapter House, Walnut Creek.

Here are the results of some of the communities:

Alamo reports $1,228.93 collected with their goal $1250.

Canyon has $20 of a $50 goal.

Danville has collected $1804.86 with a goal of $1600.

Diablo reports $961.50 with $850 goal.

LAFAYETTE reports $6,545.91 of a $7400 goal.

Moraga has $84, with its goal $50.

ORINDA reports $8060, with a goal of $8300.

Pleasant Hill has $861.82 of its $1500 goal.

WALNUT CREEK has $6714 of its $7150 goal.

Ygnacio Valley has $333 toward a $425 goal.

The schools (teachers and other paid personnel) have $228 of their $325 goal.

TWO PACIFIC AREA chapters were the first in the nation to achieve their goals in this year's Red Cross campaign — the Salinas Valley and Southern Monterey County Chapters.

Mt. Diablo Chapter reports that although it is too early to release figures on this year's drive, indications are that the 1953 drive has been successful.

CHAIRMAN BARNETT said recently that distribution of gamma globulin for use in the prevention of paralysis in polio cases is expected to begin about May 1. Success of this project depends largely on the generosity of everyone.

In a special statement, Mrs. Dwight D. Eisenhower, wife of the President of the United States, has called on the mothers of America to support the Red Cross with their funds and their blood to make sure that gamma globulin and serum albumin — twin derivatives that combat paralytic polio and fight shock — will be available to their children in this country and their sons in Korea.

Only One Trustee Contest to Date

As the April 15 deadline nears for the filing of candidacy for school board trustee positions, this is the situation in the area as of this week:

Acalanes High School District: Two positions are open and three people have filed, incumbents Ralph C. Hall and M. H. Stanley, and Mrs. Mary E. Knobel.

Orinda School District: Two openings; two incumbents have filed, Ritchie C. Smith and Edgar B. Stewart.

Lafayette School District: One opening; one nominee, incumbent Charles B. Neuman.

Canyon School District: One opening, filed for by John P. Shalley. Incumbent Allan Crawford has not yet filed.

Moraga School District: One opening, filed for by incumbent William J. Ross.

Crackdown on Parking Nears

Contra Costa County sheriff's deputies were supposed to start passing out tickets to parking violators in the unincorporated areas around Orinda, Lafayette and Walnut Creek.

However, due to a mechanical difficulty — the tickets had not arrived from the printer — none have yet been issued, according to Inspector Norman Wilson.

"We are entering into the thing slow but sure," Wilson said. "We have made a survey and posted signs, and we will start issuing tickets Monday or Tuesday."

Sheriff James Long has told the Board of Supervisors that his office would not be able to carry out an adequate program with the limited personnel available.

Efficiency Report Praises Engineer For Economies

"A reduction of expense or an increase in revenue" by the Central Contra Costa Sanitary District was recommended by Headman, Ferguson & Corollo, consulting engineers, last night.

The Berkeley firm submitted its report to the district board at its meeting at the district offices in Walnut Creek.

Consisting of 57 pages, including several maps and charts, plus an 11-page appendix, the document was entitled, "Report on the Administration and Affairs of the Central Contra Costa Sanitary District, Contra Costa County, Calif., as of January, 1953."

The consulting firm noted that District Engineer Gerry A. Horstkotte Jr.'s administration "has been marked by consistent progress in systematizing and obtaining control of the operations for which he is responsible, and he has introduced numerous changes in the interest of economy and improved operations."

But under the heading "Comments on Operations," the report declares:

"SINCE THE EXPENDITURES are now at a rate greater than the accrual of revenue, obviously a situation exists which must be corrected, either by a reduction of expense or an increase in revenue.

"We believe that the organization should be adjusted to meet only the requirements from the operation and maintenance of the Sanitary District's own property and that in the future any extraneous services or activities should be dropped unless it can be done on a compensatory basis.

"The average monthly cost per service of the running expense of the district based on figures for the fiscal year 1951-52 was approximately $1.30.

"This figure was arrived at by dividing the debits to the running expense account for the fiscal year 1951-52 by the approximate number of service connections. We say approximate because there is no record of the number of services acquired when the municipality of Walnut Creek connected to the facilities. We assumed 700."

PAYROLL FIGURES are listed as:

1951-52—Total, $186,862; straight time, $173,538; overtime, $13,264.

1950-51—Total, $186,312; straight time, $175,871; overtime, $12,441.

Jan. 1, 1950 to June 30, 1950—Total, $86,836; straight time, $84,681; overtime, $2155.

The report states:

"UNFORTUNATELY the collection system, for reasons not fully determined, carries off considerable quantities of surface water as well as sanitary sewage."

Regarding this problem, the consulting engineers say:

"The engineer is using every means at his command to determine the source of the water. This winter has been comparatively dry so that his opportunities for tests have not been very great. It would be far beyond the scope of this report to endeavor to comment on this subject except to say that the engineer must be supported with whatever money is required to locate and so far as practicable to eliminate leakage."

A uniform connection fee is recommended.

CAR MILEAGE of employees is briefly mentioned. The report states:

"The present engineer, in line with his policy of establishing an orderly way of controlling operations, has required mileage reports so that there is a clear record at all times concerning the use of cars. We do not believe that the mileage operated as a total is excessive.

"We do believe that the mileage operated by the engineer using his own car is about at the point where it would be cheaper to provide him with a district car."

Comparison is made with Pima County, Marin No. 1, Castro Valley, San Pablo and Ora Loma Sanitary Districts, but the report qualifies these findings with the observation:

"We have not discovered any district which is sufficiently comparable in extent or otherwise to mean very much from a comparative standpoint."

THESE COMPARISONS show that as of February, 1953, the Central Contra Costa Sanitary District had 30 permanent employees, as against 10½ for Pima, 5 for Marin No. 1, 6 for Castro Valley; 8½ for San Pablo and 27 for Ora Loma.

Annual running expenses for 1951-52 are listed as:

Central Contra Costa, $207,302; Pima, $80,500; Marin No. 1, $37,554; Castro Valley, $86,160; San Pablo, $42,095; Ora Loma, $186,034.

In its comparison with other sanitary districts, the report notes that the payroll constituted 72 per cent of the 1951-52 Central Contra Costa annual running expenses; 40 per cent for Pima, 50 per cent for Marin No. 1, 44 per cent for Castro Valley, 47 per cent for San Pablo and 56 per cent for Ora Loma.

"AVOIDABLE OVERTIME has been largely eliminated" by the present district engineer, the Berkeley firm notes, but it says:

"We cannot reconstruct the conditions which attended operations in the past, but it certainly appears that overtime was excessive."

"If not too many people would be inconvenienced," the report continues, "the office could be closed all day Saturday, which would eliminate a small additional amount."

Memo from Reno to Long, Collins

Attention: Sheriff James Long and District Attorney Francis Collins—

Herewith is an Oakland Tribune article of March 26, based on information direct from Reno, which we are sure will interest you.

In case you didn't know that illegal gambling was going on in Contra Costa County until "the heat came on," this article should clinch the matter.

You will note that Walter N. (Bill) Pechart and Dave Kessel admitted running gambling establishments during your terms of office. Those were the days when The SUN was favored with "No comment" comments by you regarding such activities.

So, without further comment, here is the Oakland Tribune article:

BILL PECHART AND DAVE KESSEL, erstwhile gambling overlords of Contra Costa County, are "too hot" for Reno.

The City Council of the Nevada city, where gambling is a legal business, has rejected their application for a license to operate the famed Palace Club.

Mayor Francis R. Smith of Reno reported the council vote was 4-1 against the application, with one member not voting. "They're just too hot to allow in Reno," Smith commented.

Pechart and Kessel have been trying for months to take over the Palace Club, Reno's oldest gambling establishment. Its present operators, a syndicate headed by Elmer (Baldy) West, are slated to be ousted when their lease expires in June.

THE CONTRA COSTA County men arranged to lease the club and obtained conditional approval last September from the Nevada Tax Commission, state agency which has jurisdiction over gambling.

The conditions were that Pechart and Kessel stay out of trouble in the meantime, and that they get approval of the Reno city authorities.

Lengthy hearings preceded the commission ruling. Both Pechart and Kessel admitted they had operated illegal gambling establishments in Contra Costa County for 17 or 18 years but claimed they were then out of the business.

Their attorney said they are "true sportsmen—hunters and fishermen" and manufacturers of a preparation for killing termites.

Pechart said the Contra Costa operations were closed down because of "too much publicity from the newspapers" after he and his partner had been caught in the crime exposes of 1950 and 1951.

The California Crime Commission said they had conspired with Elmer (Bones) Remmer to take control of gambling in Northern California.

THAT LED TO APPEARANCES before U. S. Senate Crime Commission hearings at which they refused to testify on grounds they might incriminate themselves. They were acquitted on contempt charges which followed.

Later Pechart and Kessel did testify at length on their operations here and their relations with Remmer. This was at Carson City, Nev., during the income tax invasion trial of Remmer. Initially they refused to answer questions and were jailed here until they decided to talk.

Cancer Drive Asks Volunteer Aid

Campaign chairmen who will will work in the 1953 Crusade of the American Cancer Society in Contra Costa County were announced Tuesday by Irving Magill of Walnut Creek, general chairman.

Magill added, "We need to recruit people for work as door-to-door canvassers, office workers, group leaders and many other tasks." Local chairmen include: Mrs. W. G. Link, Lafayette; Mrs. H. J. Frolich, Orinda, and Mrs. Jack F. Varner, Walnut Creek.

"In preparation for the April drive, I have been able to secure the assistance of outstanding leaders of the community to direct various activities of the joint fund-raising and educational campaign," Magill said.

"The battle against cancer is a full-scale war with a constant need for new recruits, with hundreds of scientists seeking to learn the secret of the disease, with thousands of doctors ready to cooperate in detection and treatment and with hundreds of thousands of soldiers, the volunteer workers, carrying the educational offensive into the homes of people everywhere.

"The single word, 'give,' implies several things; the contribution of time, talent, skill and money to the American Cancer Society's program," the chairman concluded.

GIRL'S STATE representative Carolyn Demeter smiles. She was chosen by the American Legion Auxiliary of Walnut Creek and Lafayette to represent them at Sacramento June 17 to 24, where with other outstanding high school girls she will learn democratic processes. She is a junior at Acalanes High School.

Christian Science Sermon Announced

Among the correlative passages from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy, the following will also be read:

"Understanding is the line of demarcation between the real and unreal. This understanding is not intellectual, is not the result of scholarly attainments; it is the reality of all things brought to light" (p. 505).

Snow Forces Plane To Return to Reno

A private plane, piloted by Frank Jackl of Concord was forced to turn back on a flight from Reno to Buchanan Field Saturday because of snow.

Passengers in the plane were William Gordon of Orinda and Orville Boyinger of Concord.

The three men left in Jackl's plane Saturday morning for a trip to Nevada to buy stone for their businesses. They planned to return Saturday afternoon, but ran into snow and heavy weather over the mountains.

"So at 2 p.m. we turned back to Reno and had a lot of fun," said Gordon.

Dr. Robert Kerner—"The Real Danger Period with Russia is 1955-1957"

"The Russians are 10 years ahead of their schedule, and they will be up to their plans for adequate production by 1955."

So said Dr. Robert Kerner in his lecture, "The Gathering Storm along the Iron Curtain," at the Orinda Country Club.

"We may think we have the jitters," Dr. Kerner continued, "but the Russian leaders have more of them. Holding people through fear is not safe, and never has been, though they think so."

Dr. Kerner, professor of History at the University of California, spoke under the auspices of the Children's Hospital of the East Bay. This was the third in the series of lectures.

Dr. Kerner pointed out that there are three things which America must do. They are:

1. Develop our armament without relaxation.
2. Retain our initiative on war. We must talk peace, he said, but if peace cannot be maintained, we must be prepared at all times. There could be another Pearl Harbor, he added. The Russians are not tipping their hand, and we must be prepared.
3. Give hope to the enslaved and terrorized . . . those behind the iron curtain who want their freedom as well as those on this side.

Dr. Kerner emphasized that above all Americans must not be unrealistic. There must be no wishful thinking. The psychology of dealing with the Russians, he continued, is not to ask them anything, but to tell them that you are going to do it.

"When I was traveling in the countries along the Iron Curtain, I asked for the privileges of a scholar. I told the Russians that we provided for their scholars, and that they were going to do the same for me."

"They knew that if they didn't, it would be publicized throughout Europe, so I was allowed access to the countries there. We must sell to these enslaved people that we are the real proponents of peace . . . and we must be so, and unafraid."

On the brighter side, Kerner said, "You will be surprised, if the crackup comes, at the unfaithful members of the communist group and that is our biggest hope . . . that a crackup will come from within the country itself."

"The real danger period," he added, "is between 1955 and 1957. That is the point when Russia will be developed enough to carry out a world war if she gets that desperate."

"And do not underestimate the grip Russia has on all persons in their territory. It is terroristic. They have a solid link from the top man, which spreads out and engulfs every peasant in the country."

The next lecture in the series will be April 13 at the Orinda Country Club. President Lynn White of Mills College will speak on "Revolution in Modern Thinking."

Taxpayers' Group Foresees Slash, More Efficiency

The operating efficiency of county agencies should increase this year.

That prediction was made recently by the Contra Costa Taxpayers' Association in view of organizational changes made last year in county administration.

IN REVIEWING activities of county government and political subdivisions, the association said "highway and flood control programs were well administered and should show even more obvious results in the coming year."

Of "special significance," it stated, is the increased attention to higher subdivision standards and cooperation with municipal governments.

Local jurisdiction throughout the county increased their tax rates an average of three percent with the largest being in school districts, it said. Increased costs of local government mostly were due to population growth, it added.

THE ASSOCIATION said that of primary importance on this year's agenda is the preparing of a master plan for sanitation, drainage and flood control, roads, school and park sites as well as completed land use zoning.

The association also forsees a tax cut. "There is reason to hope there may be a reduction in property taxes in 1953," it said. School districts were given an increase in state aid by the voters with the expectation there would be local property tax relief."

But, it concluded, "taxes can be kept down only if there is no increase in the price index so that salaries of public employees and building costs do not rise again."

12-15 Club Discusses Coming Activities

The 12-15 Club met March 24 at the home of Mrs. Charles Malone, 22 Loma Vista Drive. The 15 members present first enjoyed a dessert together and then spent the afternoon discussing ways and means of furthering their various philanthropic projects among which is supplying toys for children of the Martinez Juvenile Hall.

McMorrow Named Sanitation Chief

Thomas McMorrow has been appointed director of sanitation for the County Health Department.

McMorrow has been engaged in sanitation work in Contra Costa County since 1942. He was first assigned by the State Department of Health to Contra Costa County and in 1945 became the first sanitarian in the Contra Costa County Health Department.

In 1948, he successfully passed the civil service examination for supervising sanitarian and recently passed the civil service examination as number one on the eligible list for director of sanitation.

MILITARY INSTRUCTORS

The Board of U. S. Civil Service Examiners, Southwestern Signal Corps Training Center, Camp San Luis Obispo, California, announces that the examination for Military Training Instructor is being revised to cover Grade GS-11 as well as Grades GS-5, GS-7 and GS-9 with salaries ranging from $3410 to $5940 per year. The revision also includes a list of the subjects to be taught.

Sunrise Service Planned by P.F.

Early Easter morning, beginning at 7 a.m., the Orinda Pilgrim Fellowship will hold a Sunrise Service at the Community Church.

If the weather is good the service will be held in front of the Fellowship Hall where one can look up at the green hill topped by a big white cross.

After the service all P.F.'ers will gather at Tania Hudd's house for Easter breakfast.

There will be no P.F. meeting in the evening, but the following Sunday the meeting will be held at 6:45 p.m., the regular time.

Board Informally OK's Use of Marx Work in Course

Political and educational goals mixed at the meeting of the Contra Costa County Junior College Board of Trustees March 23.

The use of Karl Marx' "Communist Manifesto," in the school's great books course was informally approved by a three to one vote of the board, but formal vote was put off until Monday because the fifth member of the board was absent.

O. J. WOHLGEMUTH of Walnut Creek, board chairman, said, "If the comparison can be brought forth that shows we have more bathtubs, radios, TV sets and cars than anyone else, I'd like to see the Manifesto taught."

George R. Gordon, Martinez attorney and opposing trustee, said he had, "strong doubts that students at the junior college level can derive any particular good from it.

"IT'S A MISNOMER to call it a great book. It's not good reading and poorly written," he added.

Robert B. Pence, instructor for the course, said he believed using the Manifesto is "one of the best ways to teach against Communism that I can think of."

Drama Group Will Give Patrick Play

The Orinda Dramateurs will meet Monday at 8 p.m. in the Livingston Room of the Orinda Community Church.

Following the appointment of a nominating committee for election of officers to be held in May, there will be a program and refreshments.

Bruce Winkworth, in charge of this month's program, will supervise a reading of scenes from plays which are under consideration for Fall production.

All members present will be asked to participate in the readings, which will be followed by a discussion of the plays. Anyone interested in joining in the groups' activities is cordially invited to attend.

In lieu of a regular Spring production, the Orinda Dramateurs have been hard at work on a revival of John Patrick's "The Curious Savage," which will be remembered as one of the Dramateurs' successful productions of the 1951 season.

The troupe is taking this one "on the road", having been invited by several organizations wishing to sponsor the group. First on the list are the April 24 and 25 performances at Martinez Junior High School for the benefit of the local Camp Fire Girls.

On May 9 the Dramateurs will journey up to St. Helena to christen that city's brand new High School auditorium. They also will give a special performance at Camp Stoneman.

The cast for the play remains nearly intact, with newcomers Edmund Roney, last seen in Alameda Little Theater's production of "Second and Theshold," filling in the part of "Hannibal," Bernard Krieg, Martinez teacher and former member of the Martinez Little Theater, playing the juvenile, "Jeff"; and Leonard Nachman of Oakland playing the psychiatrist. Taking their former roles are Peg and Jim Stanislavsky, Hilda Probert, Wirtabel Harris, Alice Swenning, Carol O'Brien, Lucretia Allinson, and Keene Pettingill.

Edward O'Brien is the Director.

Lafayette residents who desire tickets to 'Absurdia In Suburbia IV,' scheduled for the Acalanes Auditorium April 20 and May 1-2, now have a local 'ticket agency.'

Mrs. Ruth Brown, Lafayette 4597, will handle the Lafayette area distribution for tickets to the Orinda Mothers Club stage production.

Those who get their tickets in advance will get first choice at the auditorium seats. The box office will not open until half an hour before curtain time the three nights.

Because the Orinda School auditorium is in use next Monday, the dance rehearsal will be held at the home of Mrs. William Gilmore, 35 Acacia Drive. She will also have the hula rehearsal Wednesday night. Both rehearsals start at 8 p.m.

The singers will gather at the Orinda School Tuesday night at 8 p.m. for rehearsal.

Bud Coburn, manager of the stage crew, reports his seven-man staff has finished constructing the props. And, said Coburn, it was accomplished without the help of many real carpenters.

On his sound crew are Jack Reilly, executive vice-president of a department store; Don Clark, an oil company engineer and George Kanewske, a telephone company engineer.

The curtain is being handled by Greg Engelhard, assistant director of athletics at the University of California. Rudy Hansen, basketball and golf coach at West Contra Costa Junior College, was in charge of the prop construction.

The stage crew, which will handle the shifting of props during production is made up of Bob Harrison, an oil company chemical engineer; Leonard Odenthal, general contractor and partner in a plywood concern and Don Krotz, an oil company executive.

Orindan Helps Organize Plant

Although unable to attend the symposium of the (British) Society of Chemical Industry in London recently, Charles R. Nelson of 10 Orchard Court, was there in spirit.

A. J. Johnson, vice-president of development at Shell Development Company's research center in Emeryville, presented a paper which Nelson and he co-authored, describing the British Petroleum Chemicals Company's huge synthetic ethyl alcohol plant at Grangemouth, Scotland. In his presentation, Johnson praised the work of Nelson and his process engineering staff who designed the plant and supervised its operation during the critical startup period.

NELSON, WHO is head of the process engineering department spent several weeks in Scotland in 1951, arriving as the plant was nearing completion and staying until key operating personnel had learned the ropes and the plant was operating properly. His department has designed numerous other plants for both Shell installations and outside customers who use Shell processes under license.

The Grangemouth plant, which uses a process worked out here, is of particular interest as the only one of its kind in the United Kingdom and the first plant in England to produce synthetic industrial alcohol.

THE ALCOHOL PRODUCED, although quite as pure as that made by fermentation processes, is not used for beverage purposes but finds its application in a wide variety of industrial uses — lacquer solvents, cosmetics, pharmaceuticals, printing inks and many others.

The symposium at which Nelson's paper was presented dealt with the many uses of petroleum raw materials in the United Kingdom's rapidly expanding chemical industries.

Easter Story to Highlight Service

Special music will feature the Easter services at Lafayette Covenant Church both morning and evening. At eleven o'clock the Easter story will be read from the 28th chapter of Matthew's Gospel, and the pastor, Rev. Joel S. Peterson, will preach the Easter sermon.

The senior choir will sing two anthems — "Easter Hymn" by Rogers, and "Praise the Lord" by McCauley. The junior choir will sing the very popular hymn — " I Serve a Risen Saviour" by A. H. Ackley. Dick Lotter will contribute a cello solo. Mrs. R. G. Ball will direct both choirs.

At the seven o'clock service, one of the special features will be "Twenty Questions" on sacred subjects. The panel of experts will include Mrs. F. V. Custer, Mrs. Carl Bolin, Mrs. Wm. Hartman, Mrs. Glen Peterson, Mrs. Ron Rydquist and Mrs. George Wood. There will be special music and the pastor will give a brief sermon on the subject: "Peter and Judas — A Study in Contrasts." The Sunday school meets at 9:45 a.m.

The Good Friday service will be held at eight o'clock in the evening. This service will be followed by the Holy Communion.

The general public is invited to all Easter services.

Community Wide Services Today

There will be a special Good Friday service at 1 o'clock today at the Community Methodist Church.

The Lafayette Covenant Church, the Assemblies of God and the Community Methodist will join for this special service. The invitation is extended to the community to join in this service.

The Rev. Joel Peterson will bring the message. The Rev. J. K. Soper will have the prayer. Bishop George A. Miller and the Rev. Harry E. Shaner will participate.

C. W. Merrills Back

Mr. and Mrs. Charles W. Merrill of Camino Sobrante, Orinda, arrived back home on the Lurline last week after a four and a half month sojourn in the Hawaiian Islands.

Three Special Easter Services Set for Sunday

Easter will be a big day at the Community Methodist Church and they are preparing to take care of the crowds that plan to attend.

The hall will be transformed into a worship center. There will be a minister in the hall and the sanctuary. The sermons will be independent. That gives six separate services at the Community Methodist Church this Easter Sunday two at 8 a.m., two at 9:30 a.m. and two at 11 a.m.

There will be special Easter music at all services. The Youth Choir under the direction of John Hardy will sing for the 8 and 9:30 services. They will sing an anthem "As It Began to Dawn" by Parker with Mary Westfall as soloist. Joyce Howell will sing "Angels Roll the rock away" by Scott. The Youth Choir will also chant "Credo" and participate in other responses in the service.

John Hardy will be at the organ. The Senior Choir will sing at the 11 a.m. services. The choir is under the direction of Oscar Busch and will sing "The Holy City".

Clara Floyd will sing "I know That My Redeemer Liveth" and the choir will join in the response throughout the service.

Josephine shoptaugh will be at the organ.

With services at 8, 9:30 and 11 it will be impossible to have Sunday School on Easter Sunday, but the children are urged to attend church with their family.

Newspaper Started By Church Group

"What shall we call it?" That is the question that is being asked in circles of the Lafayette Community Methodist Church.

A newspaper has been started, and it needs a name — and an editor. The paper will come out once a month, and Reverend Shaner is looking for one person from each church group to write their news and hand it in by the 20th of each month.

"This should help answer the statement so many people make — 'I did not know that was happening at the church,'" said Rev. Shaner.

Choral Group to Perform Tonight

In commemoration of Good Friday the choirs of Our Savior's Lutheran Church of Lafayette and the First Lutheran Church of Oakland will present Gioacchino Rossini's "Stabat Mater" tonight at 8 o'clock at the Lafayette church, 1035 Carol Lane.

Guest soloists include Eileen Baldwin, mezzo soprano; Arline Whitmer, soprano; Paul Walti, tenor; and Dr. Henry Shefoff, bass. Esther Johnson will be at the organ and Ruth Peterson will accompany at the piano.

THE PERFORMANCE will be under the direction of Howard Harrisville.

The chorus will include 50 voices. Members of the Lafayette group include:

Formerly residents of 1012 Second Street, they will now live at 3318 Birch Street, San Leandro.

Canyon Callings . . .

Mrs. Tim Timmons, Canyon resident, flew to Hawaii on March 25 to spend a two weeks vacation with her husband, Lieut. Timmons, a Naval flier stationed in Hawaii. Her sister-in-law, Mrs. Bill Timmons of San Bruno, has come to Canyon to care for the children, Becky and Irene.

Mr. and Mrs. Dick Gordon spent the weekend at Tahoe City participating in winter sports. Mrs. Frank Gordon of Richmond spent the weekend in Canyon, baby sitting with her grandsons, Stephen and Frankie.

Mr. and Mrs. Van Emery and children Teddy and Mary, from Rupert, Idaho, visited the John Shally's last week. They were accompanied by Mrs. Van Emery's mother Mrs. E. J. Sullivan. This was their first trip to the coast.

William E. Foote, a special agent for Western Pacific, spoke to the Canyon School children, on the perils of playing on railroad property and especially the danger of catching rides on trains, This was to be in form of warning, but future disregard of these suggestions would bring more stringent forms of appeal.

Friday at 1 p.m. the children of the Protestant education group and their parents met at the George Chessum home. Under the instruction of their leaders, review of their work was presented. Miss Doris Carrington's first and second grade groups recited prayers in unison. The third and fourth graders exhibited illustrated drawings explaining various lessons. They are instructed by Ed Bonsey. The fifth, sixth, seventh and eighth grades have been studying about Paul and his journeys. Using maps they retraced his travels. This group is taught by Al Lafon and Phil Gerauld. Refreshments followed. Plans to start an adult group were discussed.

Mr. and Mrs. George Chessum and family visited former Canyonites Mrs. Bill Blaskovitch and sons. The Blaskovitches are now residents of San Rafael. Billy Chessum remained for a longer visit. The Blaskovitches will be moving to Ann Arbor, Mich.

The upper grades of Canyon School competed in an art contest. A suitable design to be stamped on the new track 'T' shirts was being sought. The winner was Billy Calkins.

THE ANNUAL Easter Party took place at Canyon School Friday. The children of Mr. Masker's room colored and hid eggs for the Easter egg hunt of Mrs. Beers' room. Mr. Masker's pupils were divided in three units, and participated in a treasure hunt, clues being placed at inaccessable places. Refreshments for both rooms followed.

A religious service was conducted by Ed Bonsey and Al Lafon at the home of Mr. and Mrs. Robert O'Neil. A similar service is to be held, at different homes, each Sunday evening at 7 p.m. Everyone is invited to attend.

Adult Cub Scout leaders of Canyon and Moraga met at Carroll's Ranch Club on Saturday evening for their annual party. A cocktail hour was followed by a buffet dinner of turkey and ham with the trimings. Two of the more adventuresome souls took a dip in the ice cold pool, but dancing and singing were the most popular form of entertainment.

Patrol Leaders Tim Crawford and Denny Shally and assistant Billy Calkins, attended a two day (greenbar) conference, for training purposes at Cap Herms.

Canyon Mohican Claude R. (Buddy) Seeds visited his grandmother Mrs. S. O. Freeman of Oakland, and attended church services at her church last weekend.

A SCOUT COURT of honor was held Friday at 8 p.m., at Canyon School. Tenderfoot Scouts taken into the troop were Harry Honnaker, Brad Day, Billy Calkins and Bob Luethold. Tim Crawford and Denny Shally advanced to second class scouts. Tim is also to be the new Cub Scout Den Chief.

Billy Jacobs advanced to first class, also being awarded a merit badge in home repairs. Gordon Foster received a merit badge for cooking.

Mesdames Honnaker, Leuthold, Crawford, Day, Calkins and Jacobs were presented miniature scout pins, signifying each of their sons had advanced in rank. Arlo Compher Sr., presented the awards.

F. O. Pearces Have Canadian Visitors

Mr. and Mrs. F. O. Pearce of 54 Charles Hill Road recently entertained their aunt and uncle Mr. and Mrs. Harry Mason of Toronto, Canada for several weeks.

Included in their sightseeing trips to San Francisco, down the Peninsula, to Muir Woods, and to the Berkeley Campus were the Pearce's daughter Barbara Wayne of 69 La Campana and only granddaughter, two-year-old Linda Wayne.

A highlight of the Canadians' visit was a reception for 50 friends and relatives tendered them by their hosts.

It's wiser, easier and thriftier to do your shopping at home. Why look elsewhere?

I FEEL LIKE THE DEVIL!

Yes, I've been kicking myself ever since a customer bawled me out for not letting everyone know about our fast-growing wall paper section.

When you look it over, we think you'll agree that it is some of the most striking wall paper ever. Furthermore, you'll be viewing them in a store where it's easy to match them with carpet and fabrics (perish the thought but you might get trapped into buying a few yards of the latter).

As bait to get you in and to disprove the old adage that you never get something for nothing, we're offering for one week only, April 3 to 10,

ONE ROLL OF WALL PAPER FREE
with every four rolls purchased.

If you are in the market for wall paper, don't pass this deal up.

Lawrence of 1881 Shuey Avenue, Walnut Creek, became the bride of Clayton Southard, son of Mr. and Mrs. Chester Southard of 4112 Walnut Boulevard, Walnut Creek, Sunday afternoon at the Walnut Creek Presbyterian Church. The Rev. James Upshaw officiated at the 2 o'clock ceremony.

The bride was given in marriage by her father. Her gown was of candlelight net with a white lace bodice, long sleeves and full skirt appliqued with lace insets. Her veil fell from a Juliet cap of seed pearls and she carried a bouquet of white orchids, rose buds and bouvardia.

THE BRIDE'S sister-in-law, Mrs. James R. Lawrence of Walnut Creek was her maid of honor. She wore an aqua taffeta dress with a fitted bodice and draped neckline. She carried pale pink rose buds and bouvardia. The bridesmaids wore similar dresses and carried similar bouquets. They were Misses Nancy Sargent of Epworth Hall at the University of California in Berkeley and Barbara Elliott, Charlene MacQuiddy and Nancy Southard, sister of the groom, all of Walnut Creek.

Best man for the groom was Richard Winterhalder of Oakland and ushering were William Grensell of Lafayette, Lee Hansen of Concord, James R. Lawrence of Walnut Creek, the bride's brother, and Frank Silva of Oakland.

A RECEPTION followed the wedding ceremony at the Lido Deck in the Claremont Hotel in Berkeley. Mrs. Lawrence wore a navy blue sheer gown fashioned with an inverted neckline of ashes of roses. Her corsage was of violets. The groom's mother, Mrs. Southard was gowned in light blue with a matching stole. Her corsage was of gardenias.

Joan Lorentzen Weds Robert Fairchild in Double Ring Rites

Miss Joan Lorentzen changed her name to Mrs. Robert Leon Fairchild at a double ring wedding ceremony in the Lafayette Community Methodist Church Sunday afternoon at 2 o'clock.

The bride wore a ballerina length wedding gown fashioned with a bodice of white Chantilly lace and a skirt of white nylon tulle, with three wide rows of lace. Her coronation crown held her fingertip veil. She carried a bouquet of orchids and bouvardia.

ATTENDING the bride as matron of honor was her sister, Mrs. George Steiner, Jr., of Hayward. She wore a pale green ballerina dress of shantung and tulle and carried a bouquet of tulips of various hues. The only other attendant was the flower girl, five-year-old Miss Paula Steiner, who wore a dress of pale pink. Her bouquet was of baby roses.

Bazil Willet of Redwood City was the best man, while ushers were Kirk Smith, the bridegroom's brother, Joseph P. Baker, the bride's brother, and George Steiner, Jr., the bride's brother-in-law.

The bride's mother wore a sheath dress and jacket of green taffeta and a black hat trimmed with lilacs. The bride-groom's mother was dressed in a grey faille suit, and with it she wore a pink hat.

THE ALTAR of the church was decorated with white stock and tall candelabra, while the aisles were lined with magnolias and white stock.

After the ceremony, which was performed by the Rev. Harry E. Shanner, the newlyweds led the procession from the church to the reception in a 1913 Model T Ford. The ancient car is owned by the bride's parents who are members of an ancient car organization.

The reception was held at the home of the bride's parents on Legion Court in Acalanes Valley. More than 250 friends, neighbors and relatives were present to wish the couple health and happiness. After the reception, a group enjoyed a buffet supper at the Lorentzen home.

JOAN IS THE daughter of Mr. and Mrs. Andrew P. Lorentzen. She is the granddaughter of the late Captain A. P. Lorentzen who came around the Horn in 1849 on a sailing vessel and settled in San Francisco. The new Mrs. Fairchild was graduated from Acalanes High School in 1951.

Robert is the son of Mr. and Mrs. Leon H. Fairchild of Placerville. He also comes from a pioneer California family, as his grandparents came across the plains in 1849 and settled in Placerville. Robert is at present attending San Mateo Junior College.

After their week-long honeymoon at Lake Tahoe, the newlyweds will make their home in Redwood City.

DIABLO ART ASSOCIATION'S Third Annual Spring Show, held at Las Lomas High School library Saturday, Sunday and Monday, attracted some 500 visitors. Mrs. Van Williams started to admire some of the paintings just before this picture was taken, but her young son Jeffrey didn't seem too interested in the works of art, so she diverted her attention to him. With them is Frank A. Smith, show chairman. The paintings to which Jeffrey's back is turned are two oils at top "Twin Oaks Farm" by Janet Newton of Livermore and "Excavation on A Street" by Don Puckle of Salt Lake City, former president of the association—and a water color below, "Freight Depot" by Pauline Anderson of Walnut Creek.

Diablo Art Association Show Success

The Third Annual Spring Show of the Diablo Art Association, which closed its three-day run Monday night, drew many favorable comments from the large and interested crowd of about 500 who attended the exhibit at Las Lomas High School in Walnut Creek.

Winners in the popular vote in ceramics were Beth and Lou Peresenyi of Concord with their leaf dishes with underglazed decoration. Second place went to Frank Smith of Lafayette for his turquoise-blue craquelle plate and slip decoration.

Emily Dascalos of Concord took third pace for her scuptured heads "My Son and "My Daughter."

Honorable mention went to Mrs. Jenny Pinner of Walnut Creek for her lamp.

In the painting division, Elise Allbright of Walnut Creek drew first place with her "Mountain Pass" in oil. With but one vote separating them, Hazel Elling of Concord placed second with her oil, "Young Hopefuls," and Muriel White of Martinez third with "Trees at the Muir Home."

The 55 artists who exhibited at the show were represented by 88 paintings and 102 craft pieces.

Arf! Arf! Dogs Everywhere at The Oakland Kennel Club Show

By LYN McKEE

Dog owners of this area carried home an amazing number of trophies from the Oakland Kennel Club's 51st anniversary All Breed Show, held March 21 and 22 at the Oakland Exposition Building.

MILO AND MARJORIE Hanson, owners of the Valgo Kennels in Lafayette, were undoubtedly the busiest people at the show, raking in honors as exhibitors and as professional handlers. They were in and out of the show ring with such a conglomeration of breeds, that if some one had handed them a couple of heifers on leads we think they would have smiled their pleasant smiles and headed eagerly toward the Great Dane judging.

With their Bedlington Terriers, they had three nice wins. Ch. Rockridge Special Delivery went Best of Breed and then placed third in the terrier group. Snow Man of Valgo took Winners Dog, and Moonbeam of Mazarin, Best of Opposite Sex. Following these fancy monikers we are able to catch our breath and report that just plain Oscar, Milo's Brittainy Spaniel, was judged Best of Breed, earning 3 points.

Two Weimaraners, the "gray ghost dogs," were exhibited successfully by residents of this vicinity, and shown by Milo. Von Gaiberg's Edda, owned by Mr. and Mrs. Alfred Peters, went Winners Bitch, bowing to a rival on a near toss-up decision. Reserve Winners Dog in the Weimaraner breed was Casar Van Sonnethal, owned by Mr. and Mrs. John D. McClurg of Sun Valley Estates. We remember him, also, as a good worker in the obedience classes at the Walnut Creek Recreation Center.

AL AND KAY Wahl of Echo Springs Road went home with some good news to relate to their English Cocker, Slippery Hills Tory. One of her sons, Kotsi Boy Eli, now owned by Mrs. David Tucker and handled by Marjorie Hanson, was judged Winners Dog in the English Cocker Specialty, which netted him 5 points. Al Wahl was one of the obedience judges at the show, handling the Open B and Novice B entries.

Marjorie's showing of Lassie of Sun Valley, a Beagle owned by Mrs. Anita Primn, winds up the parade of the Hansons. At the tender age of 10 months, Lassie had the audacity to be named Best of Breed, 5 points, and to place third in the hound group.

The big news from Juanita Waite's Waiterock Kennels is that her Springer Spaniel, Waiterock Fire Bow, took Best of Breed, repeating his earlier wins at the Pleasanton and San Francisco Shows. Also, Waiterock Bow Key was judged Reserve Winners Bitch. Juanita tells us that her Ch. Waiterock Solita is the proud mama of 8 puppies, whelped six weeks ago. The father is Ch. Prince Charlie, the top winning Springer of the country in 1952. These 8 starlets should be out dazzling the judges and making show news in record time.

And yet another Best of Breed! This one was a Labrador Retriever named Ch. Jet Blue Print, owned by Fleanor and Ferdinand Diel. Jet went on to higher glory, placing second in the sporting group.

Mimi, ze enchanting Standard Poodle owned by Mr. and Mrs. Stanley Cook of Walnut Creek, went Reserve Winners Bitch. Mimi decently attended her first obedience class at the Recreation Center, and astounded everyone with her alertness.

BEST OF BREED in Standard Schnauzers was awarded to Ch. Major Pffefer, owned by Mrs. Carl Nelson of Walnut Creek.

One of Mr. and Mrs. Glen Cunningham's English Cockers, Gatewood's Mnemosomne, was judged Reserve Winners Bitch in the English Cocker Specialty.

Roger Hammaker of Orinda was on hand to judge English Cockers.

Anson and Teya Bullock of Pleasant Hill Road have a mellow feeling about the outcome of the Shetland Sheepdog competition. Teya showed one of their Shelties, Nonaz Lita, who took Reserve Winners Bitch. Lita's litter brother, Geronimo's Jim Johm Ard, went Best of Breed at the show and chalked up 4 points for himself.

The mother of these two dogs, Ald-Abeth Powderhorn, is owned by Joan Tyler, daughter of the Robert H. Tylers of Pleasant Hill Road. Powderhorn's brother, Ald-Abeth Flintlock, has gone Best of Breed at the Westminister Show in New York. Although this recitation has become involved, we trust the fact is clear that the breeder of this line of dogs, Joan Tyler, has much to her credit.

THE ANNUAL Licensed Obedience Trial of the Mt. Diablo Dog Training Club is slated for Sunday, April 26 at the Walnut Creek Park.

Old Pennsylvania Dutch Pine Will Be Shown in Heidi Tour

Authentic antique Pennsylvania Dutch pine furniture may be seen in the Kenneth Shipp home, the second home on the house tour to be held Wednesday, May 27, by Heidi Chapter of Children's Home Society, statewide adoption agency.

Tickets are $1.50 each and are available from Mrs. J. A. McCormick, ticket chairman, Lafayette 2075; Mrs. W. A. Siebert, house tour chairman, Orinda 8846, or any Heidi member.

Five homes in Upper Happy Valley will be open from 11 a.m. to 4 p.m., with tea served at the Jack Abbott home, the last on the tour.

CAPE COD RANCH is the style of the Kenneth Shipp home, with old brick and white exterior. Over a period of several years, Mrs. Shipp has collected a number of pieces of antique Pennsylvania Dutch furniture.

Among these are several items which are known to be the only ones left or are one of two in existence at the present time. Such fine old pieces as a lazy Susan table, Dutch sink, doughbin, bonnet box, cobbler's bench, square copper kettle, hand-turned four poster beds, student's desk, child's and adult's rockers, bench table and a grandmother's clock dating from 1760 may be viewed in this lovely home.

FROM THE ENTRY one enters the living room done in gray-greens with windows and French door opening onto a tiled terrace, the highest of three.

In one corner is a fireplace of old brick from floor to ceiling. The dining room is at the left and the den at the right. A bar is secluded in one corner of the den.

The master and guest bedrooms with adjoining large dressing room and bath are reached from one end of the entry hall.

THE HIGHEST TERRACE is furnished with rattan furniture. From this one walks down a few steps to the garden terrace and then down to the pool and paved sunbathing area.

Other homes included in the Heidi house tour are those of the W. D. McNevins, Richard Daileys and Robert Bridges'.

PROCEEDS FROM this event will be used to further the work of Children's Home Society in finding homes for children avaliable for adoption.

Persons wishing further information about Heidi's activities are invited to contact Mrs. J. W. Bernette, chapter president, Orinda 8176.

By shopping at home you not only save time and money. You're also patronizing merchants who share your interest in the community.

Use Delphinium For Background

One of the most useful plants available to the home gardener for background planting is the Pacific Hybrid Delphinum. Like a clear blue sky, its tall spikes with their masses of blue florets form a perfect setting for more brightly colored flowers.

You will find some charming lavender and white Delphiniums, of course, but the usual colors are shades of blue and violet, according to the Bedding Plant Advisory Board.

A planting of Delphiniums is beautifully effective behind rose bushes, as long as the roses are not unusually tall growing or pillar types. And plant a row of rich colored pansies in front of your roses for contrasting trim.

Planting of Annuals in Borders Best Way to Get Variety for Entire Season

By BERT WRIGHT

FOLKS WHOSE GARDENING activities are limted to the small-sized lot generally have little use for a hotbed in which to start their annual flowers.

Their limited planting area just does not warrant it.

Direct seeding in borders and beds, therefore, is for them the best means of obtaining a variety of blooms all season long — variety greater than it is usually possible to obtain from purchased flats of started flowers.

IF YOU ARE WILLING to settle only for petunias, marigolds, ageratum, zinnias and cosmos, you can buy flats of them most anywhere, but flowers such as nicotiana, salpiglossis, scabiosa, verbena, larkspur, lupine, balsam, four-o'clocks, gaillardia and clarkia are not nearly so easy to find.

You just don't realize the variety of sizes, shapes and colors that are yours "just for the seeding," if you content yourself merely with the commonly available started flowers.

"JUST FOR THE seeding" may be a too optimistic phrase at that, since there are tricks in encouraging annual flowers to germinate and thrive. Some, like calendulas, will grow under the worst of conditions; others — salpiglossis, for instance — need the finest of seed beds and attentive care until they are well established.

Clarkia, anchusa, balsam, 4 o'clock, kochia, nasturtium, morning glory and tithonia do not tolerate transplanting and should be sowed thinly where they are to bloom. Mixing seed with sand will help distribute small seeds evenly and thinly.

AGERATUM, ALLYSSUM, asters, calliopsis, verbena, zinnia, godetia, marigold, nicotiana, scabiosa, salpiglossis, verbena and gaillardia are among the annuals that can be direct seeded, then transplanted when they come up too close together.

A special outdoor seed bed can be used to start these in a made-to-order light, humus-filled soil.

Flowers which may be sown early include bachelor's button, calendula, candy tuft, cosmos, larkspur, lupine, mignonette, phlox and portulaca. Because these early ones are usually through blooming by midsummer, be ready to replant the bed with other annuals for later bloom.

Marigolds Give Wealth of Beauty To Your Garden

We think of some flowers as beautiful, some as gay, some as exotic; but for downright earthiness and dependability, where can we find the equal of the marigold family?

In the Dwarf Marigolds alone we find a wealth of garden material—all with bright and cheery blooms like sunbeams lighting your garden paths and beds. For bedding set out plants from flats about 4 inches apart, according to the Bedding Plant Advisory Board.

For borders double row them on offset rows with about the same spacing. You will have solid masses of color to brighten your garden through most of the summer months.

MARIGOLDS are extremely tolerant of soils but do their best in the lighter sandy soils with slight amounts of humus and little or no fertilizer.

While they are sun-loving, they can stand up to half-shade. However, they will start to straggle sooner in such shaded locations.

The yellow varieties, such as Yellow Pygmy, Sunny and El Dorado, wear well with the red of Fire Chief and Commanche Petunias or the blues of dwarf and tall Ageratum and the dwarf lobelias.

THE ORANGE VARIETIES such as Melody and Sunkist are a natural foil for dwarf Blue Ageratum with a foreground border of White Alyssum.

Start Your Lawn Program Early!

The spring program for your lawn should start early.

Several steps can be taken ahead of the full rush of gardening activities so grass can be reaping the benefits, growing greener and thicker, while you work on other phases of landscaping.

Lawns respond readily to early attention while temperatures are still cool and soil still has an ample supply of moisture from winter precipitation.

Roots can readily take up nutrients and expand their growth. New blades begin to form. All they need is a helping hand from you.

Dons Ready For Spring Competition

With resumption of school next week, following Easter vacation, Acalanes spring sports will be renewed in earnest.

How the layoff from practice will affect the Dons remains to be seen.

In any case, interest of players and fans is running high, and coaches will be busy lining up their teams and conditioning them.

BASEBALL and tennis return after the vacation period to open the league right off the bat as they resume play on Tuesday, April 7 with both squads traveling to Antioch.

SWIMMING gets back in the competitive pool on Wednesday, April 8, with J.V. baseball traveling to Richmond the same day.

On Wednesday, April 8, the Don J.V. nine crosses bats with Amador at Pleasanton and on Thursday, April 9, tennis and baseball travel again to Alhambra for their second league encounter.

Track rounds out the week as they host Alameda on Friday, April 10, and figure to start pointing for the county meet set for May 1 at Pittsburg.

The Don Bee trackmen look to be the number one choice while the Don Varsity will be in a tight three cornered race with Diablo and Pittsburg, with Antioch in the dark horse role.

Don JV Nine Clouts Win Over Emeryville

The Acalanes Junior Varsity Baseball team copped an 11-0 decision over Emeryville on March 26 when their pitching and hitting proved to be too much for the visitors in a game played on the Acalanes diamond.

THE DONS HAD a big second inning and put the game on ice when they combined hits and walks for a grand total of six runs.

It all started when Bob Kinney led off with a single and George Fortardo made it two on when he drew a walk on a 3-2 count with both scoring when Janet cracked out a sharp double.

Martin Murphy was out short to first and Johnson walked to put two on again.

JOHN CONLEY loaded the bags when he went to first on a fielder boot and all rambled home with tallies when Pee Wee Silveira came through with a double bringing the count to 5-0.

Silveira closed out the innings scoring when he came home standing up on Don Babcocks single.

Buzz Ferrarese lined out to center and Bob Kinney grounded out third to first for out number three.

THE DONS added insurance runs as they scored two in the third, one in the 4th and two in the 5th which proved to be more than sufficient for the win as the Dons preceeded to shut out Emery behind the throwing of starter John Conley and reliever Mike Barrett, each of whom allowed a single hit over the seven inning route.

Bob Jarrett and Ren Fadelli shared catching honors for the winners.

Al Courtney, Bill Reagney and Vince Salvador took turns on the mound for Emeryville with Bill Cunningham doing the receiving for the losing cause.

It's cheaper to shop at home.

SPORTS

Don Tennis Team Takes Winner From San Ramon

The Acalanes tennis team came through with a smashing win over San Ramon courtmen on Thursday, March 26.

In a match played on the Acalanes courts, the Don team proved too strong for the invaders and set them down for a 6-0 match score.

STEVE GRAVE, back after being out due to illness, displayed his old time form to score a 6-1, 6-0 win over San Ramons number one player, Ed Lowe. In match number 2 Don Rathjen stroked his way to a 6-1, 6-4 game count.

Jim Browning had a little more trouble but managed to subdue San Ramons Dave Mittleholz 6-2, 9-7. In the fourth singles match Phil Lowthian posted a 6-1, 6-2 count over the visitors Tom Edwards.

IN THE NUMBER one doubles match play Gary Graves and Ed Neighbor scored a decisive 6-1, 6-3 win; while in the second doubles play Morris Bergesen and Jim Todd stroked their way to a 6-3, 2-6, 6-4 win over San Ramons Ed Lowe and Bob Hatter.

Supervisors OK Building Permit

The Mt. Diablo Therapy Center's land use permit request was approved last week by the Board of Supervisors.

The four-and a-half acre site upon which a new center is planned is located on Bancroft Road between Mayhew Way and Hookston Roar.

Edmund Barnett, president, said earlier that it's hoped the structure will be completed by the end of the year.

Don Nine Opens League Play With Antioch Game

The Acalanes varsity will open league play next week when it travels to play Antioch High on Tuesday and hits the road again on Thursday to cross bats with Alhambra High on the Martinez diamond.

League play got under way officially on Thursday, March 26, when Antioch eked out a 5-4 win over the John Swett Indians and Albany blasted the Pittsburg Pirates 11-3.

Diablo and Alhambra were cancelled out due to a fracas during basketball season which resulted in the powers that be and the Dons drew the bye.

The Dons will be meeting two toughies in their opening week but on paper at least figure to have an even chance to cop the wins.

The league appears to be the most evenly balanced in a decade and chances are that no one nine will go unscathed as far as losses are concerned.

Red Jones is slated to toe the mound against Antioch with John Olcott, Rick Johnson or Sammy Indelicato going on Thursday depending on how things go in pre-game workouts.

The opener with Pittsburg has a tentative lineup with Andy Monsen or Benny Edgar behind the plate, Bob Gray at first, Bart Ferro third, Richard Munn second.

In the outfield its John Champlin in left, Dick Davis in center and Dale Isaacs rounding out the starters in right field.

Competition for all positions is keen and any one player could be ousted from his spot by a fellow teammate.

ECCJC Trackmen Run Tomorrow

Encouraged by a fine showing in their second meet of the season, Coach Gay Bryan looks forward to an improvement when he sends his East Contra Costa Junior College track squad against three formidable opponents tomorrow.

The Vikings will face Stanford, San Mateo and Sacramento J.C. at 12:30 p.m. on Angell Field at Stanford.

Former Acalanes High ace Bobby Warren was a busy athlete for the Vikings Saturday at the meet with USF and Vallejo J.C.

Warren, although failing to earn a blue ribbon, took second in the broad jump with a leap of 20 feet 8¾ inches and finished fourth in the 100 and 220 yard dashes.

Other former Acalanes athletes who placed were Louis Kummerow, Bill Peare, John Daniel, Ed Ambrose and Bruce Morgan.

Four Picked for Grand Jury Duty

Four area persons are among 30 picked last week for possible duty wih the 1953-54 County Grand Jury.

Of these, 19 will be selected to make up the panel. The selections will be made June 30 by Superior Judge Norman Gregg.

Local candidates are O.J. Wohlgemuth of Ygnacio Valley Road, Walnut Creek; Andy Blalock, 24 El Verano, Orinda; Frank Rose, 1441 Treat Lane, Concord, and George J. Pacini, El Camino Tassajara, Diablo.

...and Easter is just around the corner

It's been an uphill climb these past nine years for Eve and me, but we're over the hump now. Last week we "burned the mortgage" and "framed the pink slip" to the Willows. Meaning at long last we are out of partnership with our creditors (or anyone else). With Easter just around the curve, we look forward to a long season of feasting and party-making. Most of the big company executives have discovered that Willows is the Ideal Spot for expense-account entertaining in the Bay Area. Others are learning fast. We're doing many things that reflect in better dinners, personal service and delightful decor. Come soon and have a sample of how nice life can be in a fun-place like ours . . . and steaks? About our happy Country Folks

By EDITH BOLMAN

Do you want to know what we found out last Tuesday at the Orinda Branch Fashion Show? 1)Chicken salad with mayonnaise as presented by the Country Club is delicious and if you don't have anything for breakfast but a couple of glasses of tomato juice you can demolish same without counting your calories; 2) this year ladies of fashion are definitely down to one petticoat—it seems that last year style-conscious femininity wouldn't be caught dead without one crinoline and a couple of nylon and net models with ruffles, but that day is gone; 3) if your own bustle is not sufficiently bustle-ish for heaven's sake add one of black taffeta with billowy panels descending therefrom; 4) if you want to look fancy though casual, you should wear dignified denim.

NOW, DENIM it seems has graduated from the pants period and turns up in soft gray green with decorations and tailoring calculated to make it look like anything but denim 5) if you are of the old silk-fringe-on-top era by all means rearrange your thinking because you should have wool fringe on the bottom of your Persian lamb stole 6) anyway the party was highly successful which is not news because it always is.

Post-adobe construction, hand screened draperies, wall paper custom made to match adjacent decorative features, constant amusement factor—such are the points of interest in the Donald Lawrie home which is one of the five presented by the Orinda Branch of the Children's Hospital of the East Bay for the House Tour on the 13th of May.

So now to proceed backwards. The last mentioned "constant amusement factor" is a continuously operating situation due to geography and the fact that there is nothing anymore continuous or constant than golfers. The house is strategically perched above the 8th tee where the Orinda Country Club golfer not only does some fancy pitch shots to a short green but pitches some fancy edibles into his tummy in the form of hot dogs, beer and skittles. Anyone in the Lawrie home who wants a little free entertainment need merely to lean on the ledge and look and listen.

But back to the house. It is of adobe construction with beamed ceilings, parquet floors and modern feeling in the furnishings of nubby weaves and clear full colors. The drapery materials were hand screened by Mr. and Mrs. Lawrie and a cooperative sister, for hours and hours, over a period of many days—an arduous task but well worth it. The reason for the home talent activity was the matching of a patterned wall paper on the dining alcove wall. The wall papers were all custom printed to match the Lawries' own color schemes. In the baby's bedroom for instance the turquoise tigers and butterflies on a soft cream background match the furnishings. The blue and yellow roosters on the breakfast room wall match the tile and floor coverings in the kitchen. And by all means notice the wall paper in the master bathroom done like the "New Yorker" victorian style humorous cartoons.

THE LIVING ROOM is widely windowed on both sides—one facing a lovely garden and the other opening onto a generous patio. The use of a low flagstone planter as a hall separation, and a large paneled cupboard as a screen for the dining room give a feeling of added spaciousness. A comfortable, liveable house you will certainly enjoy seeing.

The Fred Federighis are home from Las Vegas—as are also the Edward Maloneys.

The George Cliffords were entertained recently by Mr. and Mrs. Charles Gibbs and Mrs. Dick Tharp prior to a trip to Florida and the Bahamas.

Anticipated visitor—Professor Walter Miles, psychology professor at yale will visit his son and daughter-in-law the Kirk Miles after attending conferences in Texas and Southern California.

Anticipated delectibles—feather-light cakes, deluscious pies (deluscious is a new word just this moment created for the occasion but it was the only combination of adjectives adequate to describe the Santa Maria Women's Club members' cooking), cookies and gaily decorated Easter eggs—all to be on sale tomorrow at Sprouse-Reitz at the Crossroads from 9 to 12 a. m. Anyone who has gotten mixed up with one of these bake sales before knows perfectly well that the offerings are of superior quality—and just think what a lot of wear and tear you can save yourselves by stocking up for Easter weekend.

Mrs. Frank Lambert of Sea Cliff, Long Island, is visiting her daughter Mrs. Andrew Robertson in Happy Valley.

We have heard recent conversations about the speedy growth of Orinda. There are visible signs all over—two hour parking in the Village—and a policeman stationed there to admonish you gently if you park your car wrong end-to in a space so small your rear end hangs out (a generally accepted practice previously looked upon with good humor but now definitely frowned at by the gentleman on the motorcycle).

ALSO GETTING across the Crossroads in peak traffic is a lengthy process somewhat eased by a ham sandwich and a good book. But all this is a sign of progress and growth, and another evidence of this is new babies, such as, Catherine Ann, new daughter of the Robert Bardells.

The Douglass Robertsons and family drove to Los Angeles during Easter vacation and were accompanied by Mary Ann Somers.

Cocktails and dinner at the Frank Fees on Saturday for visitors Mr. and Mrs. Niel Broderson. Same evening the Art Somers were entertaining at dinner which necessitated a little fast footwork in a couple of instances.

Mr. and Mrs. William Scott invited friends for dinner on Saturday also in honor of Dr. and Mrs. Fred Daggett who are on sabbatical leave from the University of New Hampshire. And speaking of new babies again—Sarah has come to join Tim and Comfy in the Scott family.

Travelers—The Howard Inmans and children to Los Angeles and the Dana Hamlins to Honolulu.

The Ed Merrills are home from Palm Desert and the James Norths are home from Honolulu. In fact we think that the name Honolulu should be changed to Contra Costa Annex what with the Norths running into Ron Schacht, John French and Jay Duthie.

The Howard Inmans incidently are just back from Mexico where they visited Mexico City, Taxco, Guadalajara and ended up by catching a sailfish at Acapulco.

AND NOW some teen-age talk:

The senior class of Acalanes High School presented the play "Our Town" last Friday night. It was given at the Acalanes gym and was terrific. Everybody enjoyed it so much and the cast, which was marvelous, included Dave Grieve as the Stage Manager, Bob Wahl as Dr. Gibbs, Bob Harrison as Howie Newsome, Terry Probert as Mrs. Gibbs, Gerry Wallis as Mrs. Webb, Stephen Graves as George Gibbs, Marianne Somers as Rebecca Gibbs, Raymond Sheets as Wally Webb, Betty Argo as Emily Webb, Kim Wilkin as Professor Willard, Tom Morrish as Mr. Webb, and many, many others and we thought they were just wonderful. Very well done. After the play a party was held at Judy Johnson's home for the cast and everybody had a neat time.

That is all.

School Days Point Up Need for 'SLOW–Children at Play' Signs

The session of school hasn't changed the need for motorists to be careful of youngsters playing in residential areas, judging from the demand for those "SLOW — Children at Play" signs offered by the SUN.

In fact, the need seems greater, since some drivers may think all the children are at school. Actually, of course, pre-school children are just as playful as ever, as are the school kids when they're not at school. And, also, there's the week-end . . .

The large, attractive, easily read signs — black lettering on yellow background — are available at the Walnut Creek Sun office, 1409 Main Street, Walnut Creek, above Thompson Electric; the Lafayette Sun and Orinda Sun office, 1000 Orchard Road, Lafayette, and the Orinda Pixie Shop in Orinda Village.

Although such signs usually are priced at $2.50, they're being sold by the SUN, as a public service, the cost price of $1.75. Because this arrangement, there can be n billing — the signs must be paid for when they're obtained.

The weatner-proof signs are made by the Frank E. Sellers sign company.

Letters to the Editor

Dear Editor:

This is to thank you for your generous support in focusing special attention on dental health during the observance of Dental Health Week in Contra Costa County.

The members of the Contra Costa Dental Society will continue to point out that the future dental health of our children lies in the hands of today's adults, with prevention as the key to dental health.

We will continue to stress our four point program:

1st — To brush or rinse the teeth right after eating.

2nd — To eat a well-balanced diet and go slow on sweets.

3rd — To start dental examinations early and obtain dental corrections regularly.

4th—To promote the fluoridation of all community water suplies in Contra Costa County, so that there will be two-thirds less decay.

In pursuing these aims we will look forward to broad support from the people of the communities in Contra Costa County.

Thank you for your continued interest in this important part of health.

Very sincerely yours,
CONTRA COSTA
DENTAL SOCIETY
William S. Painter, D.D.S.
President.

Dear Editor:

I have been intending to drop in and congratulate you for being honored by receiving an award for "outstanding disinterested community service."

As a resident of Orinda and a subscriber to your paper, I will say that articles on the Sanitary District were timely and influential.

Also, the reporting of Julius Rosenthal in the recent P. G. and E. discussions over new power lines in the Orinda district has been very factual and very well presented to your readers.

Please accept my congratulations for making your "Suns" the outstanding papers that they are in our communities.

LLOYD O'CONNELL

Dear Editor:

Bldg. Committee Sends Information On Bond Proposal

The story of how taxpayers can save $300,000 on the construction in Richmond of a county building is being carried to all organizations in the county.

Under the direction of Edward M. Larmer of Walnut Creek, chairman of the Citizens' County Building Committee, a six-page pamphlet of facts has been mailed to more than 600 organizations on Proposition A, a $1,350,000 building bond issue on a special countywide election ballot May 12.

"Only the people can effect this $300,000 saving" Larmer said. "So every effort is being made to get the message of saving to taxpayers. We want them to know these facts:

"That the contemplated building is necessary to meet legal requirement; that Proposition A is the most acceptable of financing methods and saves $300,000; that the building must be constructed regardless of financing method; that the people alone can efefct the savings for their authorization of bonds is necessary."

Sanitarian Feted By Safety Council

Frank J. Angelo, county sanitarian, was honored recently by the Contra Costa Safety Council for his work in investigating and reporting on conditions of the Contra Costa Canal.

Members commended Angelo and granted him an honorary membership in the council. He is the first to receive the honor.

Please Turn in News Stories By Monday

This isn't a sob-story, although the news editor often sobs when he discusses the subject. It concerns deadlines for news stories from correspondents and publicity chairmen.

The SUN is eager to improve its coverage. One of the main ways to do that is to have copy set in type early in the week. ("Yes, boss, I heard you," chirps the news editor.)

So this is an urgent plea to all correspondents and publicity chairmen: Whenever possible, please let us have news copy and information for the current week's issue no later than Monday. In that way, you'll have greater assurance of your story being published, and you'll be helping us considerably in our mechanical problems.

Friday or Saturday would be even better.

Stories should be typed, if possible — and double-spaced and on only one side of each sheet of paper.

Conrad began his service in 1924 as a Traffic Inspector in San Francisco. He has held successive assignments of increasing responsibility, such as Coast Division Traffic Supervisor and Traffic Agent. He became Traffic Local Supervisor in 1951.

In token of their esteem and long friendship, Conrad's co-workers also presented him with a barometer for his ranch near Marysville.

David Hagmanns Back in Orinda

Dr. and Mrs. David Lowell Hagmann have just returned from a trip to Southern California.

Glad to be back in their new home, which they built in August, the Hagmanns reported a fine trip.

While Dr. Hagemann attended a convention of the American Chemical Society, the family was entertained by Dr. and Mrs. Julius J. Bielskis of Westwood Hills, parents of Mrs. Hagmann. He is the Consul of Lithuania.

The Hagmanns managed to attend several social events in the South in spite of having children Ruta Dianne and Stephen Eric along.

Mrs. Hagmann (Ruta Irene Bielskis) was recently elected president of the local Alpha Phi Junior Alumnae — her doctor husband, who has his Ph. D. in research chemistry, is with the Naval Biological Laboratories at the Naval Supply Center in Oakland.

Easter Services To Be Held in Orinda Theatre

The Orinda Theatre will be the scene of the ninth annual community Easter Services held under the sponsorship of the Orinda Community Church. Identical services at 9:30 and 11 a.m. Easter morning will be addressed by the Rev. William David Pratt, recently of Pomona, California and now Superintendent of the Northern California Congregational Conference, whose sermon theme is "Life's Fourth Dimension."

He is reckoned among the outstanding younger Protestant leaders of the West Coast, according to the Rev. Fred R. Morrow, minister of the Orinda Church, who will conduct the worship.

Leading the music for the Easter festival is Margaret Popovich. Chapel and Junior choirs will participate in sacred choral numbers including an Easter antiphon by Goldsworthy, "He is Risen," "Lift Up Your Heads, O Ye Gates," from Handel's "Messiah," "Halleluia" by Bach, and a 17th Century French Easter carol, "Ye Watchers and Ye Holy Ones."

Daniel Popovich will use a Steinway grand piano to accompany the service, combining with Lois Flenner, violinist, and Laura Hudd, 'cellist, in instrumental trio arrangements, an offertory, "Largo" by Berancini, and a postlude, the "Halleluia Chorus"' of Handel, from "The Messiah."

The reverent and striking cathedral altar is the work of Marian Nelson and Jeannette Blalock.

Residents of the area may attend either service. At both hours full sessions of the Sunday school will be held for children up to and including the second grade. These departmental groups and child care provision for infants will be found at the church buildings on Irwin Way.

Popovich will also play during the service "Now comes the Gentile's Saviour," by Bach-Busoni, and "De Profundis," by Balfour Gardiner.

This is the second year of the double services.
